BAYHI BALLYHOO

Did you see the picture of our Mechanics Class by the P-40 on the cover of the Mississippi Educational Advance, a professional magazine for the teachers of Mississippi.

As a part of our celebration of American Education Week, parents were invited to visit Bay High this week; and quite a number of mothers attended classes and the assembly program.

In assembly Wednesday under the direction of Miss Julia Blaize the 4 high school classes presented a program in observance of American Education Week. The presentation of the Flag followed by the Pledge of Allegiance, led by Ott Brockman, opened the program. The freshmen class with Mr. Dubuison as their sponsor presented the following speeches: Betty Lusk, "Facing New Tasks"; Bill Thomas "A Plan For Your Future"; Alberta LaFontaine, "Self Confidence." The leader of the sophomore division of the program, which was based on Health and Safety, was Delbert Zinguring. The four "E's" were as follows: Education, Dolores Carver; Exercise, Helen Sinclair; Examinations, Sara Vaughan; Effort, Audrey Mays. The sophomores have as their sponsor, Miss Kittrell, who directed their program. For their subject the junior class selected "Building World Security." Those participating in this part of the program were: Jean Pritchard, Jean Dubuison, Lula Mae Crawford, Helen Ramsey, Gay Cuiet, Barbara Butler and Gloria Biehl.

Representing the senior class, John Dupaquier spoke on "Investing in Education." After his discussion a group of seniors sang "School Days."

In conclusion the entire student body sang.

On Friday night, November 9, Joe Capedone, Pete Dupaquier, Jimmy McDonald, Ott Brockman, Andy Gray and Pierre Dupaquier (46) attended the Gulfport-Pascagoula game played in Gulfport. Following the game, the boys went to the dance at the "Teen-Age Club."

A birthday party was given in honor of Helen Ramsey and Luke Chiniche Monday night, November 11, at the Ramsey home.

The house was decorated in pink and white; the table was decorated with pink candles set in double candlestick holders on a white cloth. In the center was a large cake with "Happy Birthday, Helen and Luke" on it.

Everyone reported a wonderful time playing games and dancing. The following people were present: Misses Lula Mae Crawford, Gloria Biehl, Marilyn Johnston, Helen Pianos, Doris Carro, Betty Courgege, Myrtle Oliver, Evelyn Schloegel, Barbara Buhler, Alzina Borden and Vivian Brannon and Messrs. Andy Gray, Wilbert Adams, Ronald Carver, Archie Courgege, Herbert Carver, J. D. Creel, Luke Scianna, Rene Cuevas, Courtney Jordan, Buddy Pitalo, Red Reinike, Raymond Carro, Eugene Luk, Anthony Marengo, Laurence LaFontaine, Kenney Fusiage, Joe Alphonse, Eugene Schloegel and Jimmy McArthur.

Making fudge and dancing were the main features of entertainment at Meryl Radford's house on South Beach Tuesday night when the gang gathered there. The crowd included Meryl Radford, Jean Pritchard, Lorraine Davis, Lorraine Lott, Gay Cuiet, and Helen Sinclair; Frank Quintini, Donald Manieri, Perre Quintini, and Justin Green.

Friday night, November 8, L. G. Tanguis gave a party for a few of his friends at the Maskew home. Sandwiches and drinks were served to the guests and dancing was enjoyed by everyone.

The guests included Betty Courgege, Betty Johnston, Fern Randolph, Mittie Agnes Maskew, Myrtle Oliver, Louise Maskew, Elsie Noto, Helen Ramsey, and Willie Maskew, Eugene Schloegel, Clyde Favre, Pete Luc, Rene Cuevas, Courtney Jordan and Lawrence LaFontaine.

HOMECOMING

Homecoming at Bay High this year was a very successful affair. We won the game; seventy old grads were present, and everybody had a wonderful time at the dance.

The eventful night began with a parade in which a motorcycle policeman, patrolman's car with siren, the queen and her maids atop Joe Loiacono's convertible, Bay High Band and a large string of cars decorated with Bay Hi colors participated.

The Bay High football team won their Homecoming game this past Saturday, November 9.

The victim of the Tiger victory was the Biloxi High Indians, who lost by the close score of 14-13.

The Tigers scored early in the first period when Schloegel and Capedone teamed up to block a punt, and Chiniche also scored the all-important point on a line plunge.

The second Tiger touchdown came just before the half when the combination of Green to Brockman clicked for 30 yards and six more points. Fullback Chiniche again plowed the line for the extra point, which proved

Cubbing Program Off To Good Start

The Cubbing program got off to a big start last night, Thursday, November 14th at the Bay High school for parents, cubbers, den mothers and dads and other officials.

Cub Scout Dens have been set up and den mothers obtained for each Den. The registration cards, recently sent to every one were filled and returned before this meeting.

Mr. Dick Shadin, Cub Master spoke briefly on the duties of those in charge of the program and of the need of scout training of boys in the 9th and 11th age group.

The cub scout program is sponsored by the Bay St. Louis-Pass Christian District Committee. Mr. Ross Schenk, assistant scout executive of New Orleans was present.

Technicolor and sound films were shown and thoroughly enjoyed.

Mr. Ames Mead Hursey Dies in Slidell, La.

News has been received of the death of Ames Mead Hursey at his home in Slidell on November 5, 1946. He was a native of Pearllington and was 64 years of age.

He is survived by three sisters Mrs. C. R. Farr of Courtland, Miss.; Mrs. J. O. Leonard, Mrs. Octavia Hursey of Slidell; two brothers, Sidney Hursey of Slidell and Asa Hursey of Jackson.

Funeral services were held at Slidell with interment in the Pearllington cemetery.

Palbearers were G. A. Fritchie, Leonaki Hursey, Sheldon Hursey, John Boyden, Harrell Rousseau and S. C. Currie.

Guests on Armistice Day Program

Mrs. Louis Pate and John Dupaquier were guests on the Armistice Day Program on Sunday morning at the U. S. Merchant Marine Cadet Base School at Henderson Point. The program was under the direction of Rev. H. W. Arthur chaplain of the school and Lieut. Stotter music director.

Mrs. Pate and Mr. Dupaquier played as piano duets "Overture to Prometheus" by Beethoven; "Arlesienne" by Bizette; "King Stephan" by Beethoven. Mrs. Pate accompanied for the general singing of hymns. There were several selections by the school's A Cappella choir.

Chaplain Arthur gave a very interesting resume of the talks made by the four principal speakers at the recent convention of Chaplains held at Washington, D. C.

Both of Biloxi's scores were on long passes by Curdine to his end. One came in the second quarter the other in the fourth period. A fake placement formation gained the first extra point, but the Tigers were determined to stop the second try and did. This was the first victory of the season for the Bay High team, and it is hoped it will give them encouragement to go on to other wins.

After the game the Bay High supporters, the Biloxi Indians and the Alumni met in our gym for the Homecoming dance. With music furnished by the orchestra everybody had a most enjoyable time.

One of the highlights of the night's festivities was the entertainment for the court and alumni with Ott Brockman as M. C. The program rendered was as follows:

Welcome Song: J. H. Johnston, Gloria Biehl, Grady Parker and Betty Ruth Johnston.

"Surrender": Betty Ruth Johnston.

"Rumors are Flying": Jean Pritchard.

"Buttermilk Sky": Muriel Manieri. Welcome by Ott Brockman and response by the captain of the Biloxi team, Buddy Burdine. Lynn Ruth-erford spoke in behalf of the alumni.

Monday night, November 11, the Bay Hi Orchestra played at the Merchant Marine Cadet Base for the Propeller Club's Anniversary. The wonderful refreshments, especially the white and blue cake with Propeller Club written on it, were enjoyed by the orchestra.

ANOTHER INJURY

The only disappointment of the Homecoming celebration was the injury of Rod Murphy, star end of the Bay Hi team.

Rod, hit solidly in the nose by a Biloxi blocker, was taken out of the game and sent to the local hospital with a fractured nose.

A football game of interest to many will be the one to be played (tonight) Friday, November 15, at St. Stanislaus stadium, between the Rock-A-Chaws and the Pascagoula team.

Pascagoula has a very fine record and this game will be one of the hardest fought games for the Rocks, as well as one of the best along the Coast, this week. However, Coach Burge, has all of his injured players back on the practice line, so the boys should be in excellent shape for the game.

Tigers Defeat Biloxi "B"

Getting off to an early lead by blocking a Biloxi punt, the Bay Hi footballers rolled to a 14-13 win in their homecoming game Saturday night. With fine running by Brockman, Chiniche and Green and stellar line plays, the visitors couldn't hold the locals in check.

November Meeting of P. T. A. Held Tuesday

Mrs. H. Grady Perkins led the program at the November meeting of the Central School P. T. A. on Tuesday. The theme for all the programs for the year is Character Building and Mrs. Perkins discussed the building of character and said in part that character may be thought of as an individual's habitual modes of thinking, feeling and acting. She then asked for the participation of the audiences in listing the positive factors and their negatives, in character building for youth and children. Some of the factors listed were honesty, unselfishness, courtesy, cooperation, tolerance, justice, perseverance, obedience and many others. The negatives of course were dishonesty, selfishness, discourtesy, anti-cooperation, intolerance, injustice, disobedience and so on. These positive factors must be inculcated in the child from its infancy, she said.

Mrs. Perkins closed by saying that character building is a life-time work—a united effort to insure better protection of children and youth will lay the foundation of good citizenship—citizenship in which delinquency will have no place and said "We might say character safeguards their future."

Mrs. Richard Shadin followed this with a talk on Character Building—the American Way, and listed the organizations which are builders of character—Junior Red Cross, Boy and Girl Scouts, Campfire Girls, 4-H Clubs, Young Women's Christian Association, Young Men's Christian Association and many others. She also referred to the work done in and by the P. T. A. toward the building of character.

Mrs. H. B. Duckworth's topic was the influence of the home on the character of the child. Mrs. Duckworth said, "A Child's culture, his attitudes, his way of acting, his basic beliefs, his field of ideas is determined by his home life more than by his church or school or by any other influence."

It is definitely accepted Mrs. Duckworth of parents in rearing children in the home are great factors in the juvenile delinquency. Mrs. Duckworth stressed the necessity of the work of parents in rearing children—the husband and wife sharing the responsibility of the child. Character building is a life-time process she said.

The membership chairman, Mrs. William Witter announced that the P. T. A. was within twenty-nine of having met its membership goal and urged that it might register 100 percent before December.

The fifth grade won the award for having 100 percent of all parents to join the P. T. A. The fourth grade won the attendance for having the greatest number of mothers present at the November meeting.

The group voted to buy a first aid kit for the Webb School.

Attends District Meeting

Mrs. Elliott Casanova, county Welfare Agent for Hancock County, attended the district meeting of state officials and board members and county agents on county boards held at Gulfport recently. Mrs. Casanova says the outlook for 1947 is brighter and that one of the interesting amendments to the Social Security Act is the basic grant of a set amount by the federal government in addition to the matching of federal amount with the amount allocated by the states. This she says indicates a better outlook for the needy people.

W. F. Bond, state director of Public Welfare for Mississippi, is quoted by the Jackson press as saying that "counties in the state have an erroneous idea that the old age assistance program is a pension system. Instead it is a program of cash relief to persons over 65 years of age who lack the necessities of life."

Mrs. Casanova said the five-county meeting was very helpful and there was much to be gained.

Forum Held At Methodist Church Sunday Night

The forum held at the Methodist church on Sunday night on "Shall We Adopt Peacetime Military Conscription?" brought out a good number and deep interest was evidenced. Lieut.-Colonel John H. Cook, Jr., speaking on the affirmative, made some strong points—educational value offered by the government; the advantage of the travel offered, naval training; A peacetime army would insure less loss of life.

J. L. Henderson, civilian, on the negative gave as reasons points that conscription is contrary to Democracy and is unnecessary; that it is too expensive; building up a military machine will endanger the American form of government. Mr. Henderson pointed out that the nations which have practiced conscription in peacetime, Germany, Russia, Italy, France and Japan, have suffered defeats. We have never practiced conscription and have never suffered defeat. The military machine has offered false security to the countries who have conscription during peacetime.

David McDonald spoke from a G. I. point of view and defended some of the things brought out by Mr. Henderson—that the Army did not discourage gambling; that liquor was made available; the cast system where a line was drawn between officers and privates was also defended by Mr. McDonald.

Louis Mogabgab high school student stood for conscription for its travel opportunity, its educational value—well sin hort the glamour side of life.

The subject was thrown open for discussion and the majority in the congregation stood for conscription. The consensus of opinion was that the program was entertaining and informative and that there should be more forums held.

The amount of money paid out to furnish you with telephone service is increasing faster than the amount taken in. That's because telephone materials, wages, services, and new building costs have all gone up tremendously, while telephone rates have remained as low or lower than they were many years ago. Telephone earnings today are not only the lowest in history but are dangerously low despite a record volume of business. Reasonable earnings are required to safeguard the full usefulness of the telephone for you and your community.

Here Are Oldsmobile's Recommended COLD WEATHER SERVICES

CHECK COOLING SYSTEM—
The radiator and entire cooling system should be drained, flushed out, and thoroughly inspected. Hose connections should be tightened where necessary.

INSTALL ANTI-FREEZE—
Sufficient anti-freeze should be put in to protect your car from a damaging freeze in even the coldest weather that can be expected.

TUNE ENGINE—Your motor should be put in shape to assure you of quick, easy starting, and economical performance no matter how low the thermometer goes.

CHANGE ENGINE OIL—
A lighter oil that will circulate freely at below-freezing temperatures is a necessity for easy starting and the prevention of excessive winter wear.

LUBRICATE CAR—The entire chassis should be scientifically lubricated to prevent

wear. The lubricants in standard transmission and differential should be changed to a winter grade. Hydra-Matic Drive fluid need not be changed unless necessary.

CHECK ELECTRICAL SYSTEM—
There's a heavier load on battery, generator, starter and ignition system during cold weather. These should be inspected, put in good condition, and protected with a coating of PIB.

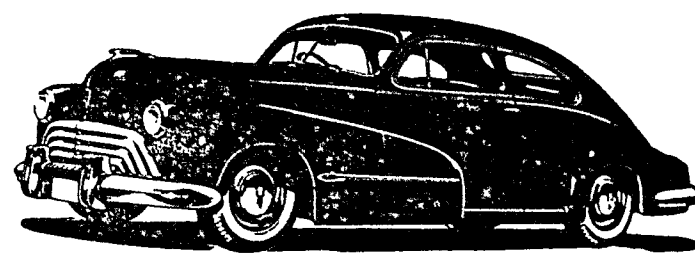

CHECK SAFETY FEATURES—
Brakes should be adjusted and put in top-notch condition. Windshield wipers should be checked. Heater and defroster connections should be inspected.

PROTECT FINISH—Snow and ice and road-clearing chemicals are tough on the finish of your car. A wash and polish, or a Liquid Glaze job—and touch-up treatment—will protect both paint and chrome.

Winter Weather's on the Way!

If You Have a New
Oldsmobile on the Way—

Materials shortages and unavoidable production delays are keeping our deliveries behind schedule. Better keep your present car up with regular service . . . until that style-leading new Oldsmobile arrives!

ORTIE THEATER
SUNDAY - MONDAY
"THE TIME OF THEIR LIVES"

Universal Presents Bud Abbott and Lou Costello

Hollywood's favorite funny men Bud Abbott and Lou Costello, come Sunday and Monday to the Ortie Theatre in Universal's "The Time of Their Lives," a comedy innovation said to be packed with new ideas of how to make people laugh. Marjorie Reynolds, Binnie Barnes, and John Shelton have leading roles. Other popular players in the large cast are Jess Barker, Gale Sondergaard and Robert H. Barrat. In this original screenplay, Costello and Miss Reynolds portray Colonial sweethearts. They are mistakenly shot by George Washington's soldiers and are condemned to a ghostly existence for 166 years. Then the old homestead, where they are confined, is restored, and people

move in.

The owner of the estate, enacted by John Shelton, invites his doctor, his sweetheart and her aunt, to spend a week end at the soon-to-be haunted house. Lynn Baggett portrays the sweetheart, Miss Barnes is seen as the aunt while Gale Sondergaard appears as the psychic housemaid. She calls the two ghosts who search for a letter from Washington. The letter, it is believed, will absolve them of the old suspicion that they were traitors to the Continental cause.

The two ghosts incidentally, frighten members of the household, and in turn are scared almost to death by electric lights, fans and other modern appliances. They finally discover their precious letter in an old clock that "Doctor" Abbott steals from a museum—but that's another part of the plot—and another chase.

Ingenious inventions by the studio property man are said to make the ghostly appearance of Costello and Miss Reynolds startlingly real.

SUNDAY - MONDAY
"THE STRANGE LOVE OF MARTHA IVERS"

Trio of Stars Plus New Find in Wallis Film

Paramount's "The Strange Love of Martha Ivers" produced by hit-maker Hal Wallis directed by top-flight director Lewis Milestone, starring a terrific threesome, Barbara Stanwyck, Van Heflin and Elizabeth Scott introducing stage star Kirk Douglas, and telling a sensationally dramatic and suspenseful story, certainly has the requisites to support the advance rave notices that have preceded the picture's arrival next Sunday and Monday at the A. and G. Theater.

"The Strange Love of Martha Ivers" tells a vibrant and engrossing tale of four people involved in a diabolic pattern of murder and deceit. Mature audiences are sure to be enthralled by this clever story which involves a woman who was capable of murder as a child, her weakling husband who is completely dominated by her through love and fear, a cynical gambler who stoops to blackmail but is basically decent enough to spurn the love of this evil woman and a girl whom life has kicked around, but who still clings to hopes of a better future. How they are woven into a web of exciting and taut situations, and how they finally evolve their skilled lives, is said to make exciting and intriguing melodrama.

Mrs. J. S. Shaw.

Mr. and Mrs. Robert Stewart and children spent the week end in Picayune as guests of Mr. Stewart's mother.

Veterans' News

Dietitians arranging meals for the 7,500 veteran-patients in the 11 Veterans Administration hospitals in Texas, Louisiana and Mississippi can sympathize with housewives about rising food prices.

It now costs VA 14.9 per cent more to buy food for a patient than it did in April of this year, a survey by the VA dietetic division shows.

None of the hospitals reported an increase in per-patient food costs since April. One hospital reported its food costs up 50 per cent. Two of the larger hospitals showed reductions in food costs, but the decreases were slight.

QUESTIONS AND ANSWERS

Q. If the lender demands some security, can I use the bonds I get for my terminal leave as security for a G. I. loan?

A. No.

Q. Can I use the bonds I get from my terminal leave to pay premiums on my G. I. insurance?

A. Yes. The Act of Congress provides that the veteran may assign his bonds to the Veterans Administration to pay insurance premiums. An amount equal to the insurance premiums on United States Government Life Insurance or National Service Life Insurance will be deducted from the face value of the bond plus interest, each month.

Q. Can terminal leave bonds be used in payment of premiums after the insurance has been converted?

A. Yes.

Q. I am a totally disabled veteran and rated as in need of regular aid and attention. Can I use my wife or daughter as an attendant?

A. It is not necessary for a veteran who is so rated to hire an outside person to attend him. He would receive the increased amount irrespective of who attends to him.

From where I sit... by Joe Marsh

Who Gets Off Easiest— Men or Women?

Maybe you saw that poll on who has the easiest life—men or women? Of course, the men voted that the women did, and the women vice versa.

It would be the same in our town—take any family. Thad Phibbs envies his Missus spending the day at home, with no hot office to attend to. And Sue envies Thad his luncheons with the boys; and his evening glass of beer with friends (while she cleans up the dishes in the kitchen).

Of course, none of it goes very

deep. Thad knows way deep down that the Missus has plenty of work running a house; and Sue knows Thad's friendly glass of beer is well-deserved relaxation after a long hard day's work.

From where I sit, most husbands and wives may grumble now and then—but they know in their hearts it's a case of live and let live, give and take, that comes out pretty even in the end.
